

CFF VETERAN CHAMPIONSHIPS 2016

TECHNICAL BULLETIN NO.1

The CFF Technical Commission has determined the following regarding the upcoming Veteran Championships:

1. In accordance with a decision reached at the CFF Congress in Largs, this edition of the Championships will be conducted with two rounds of seeding pools.
2. On the recommendation of the CFF Veteran Commission, this edition of the Championships will adopt the format successfully used by the Asian Veterans to determine the older categories (60s and 70s Age Group champions; it is agreed that for New Zealand, after the 2 rounds of pools, we will then separate out each of the age groups for DE (hence for each weapon, there will be four gold medal winners, 4 silver medals, and 4 bronze as there will be a fight off for third place).
3. In accordance with the FIE Materials Rules, Annex B, C(a)8 for the 2016-17 season, this edition of the CFF Championships will adopt the new sabre hit timing parameter of 170ms (+/- 10ms).
4. Use of the foil bayonet connection is permitted as this event will not be run using the wireless system.
